

2026 Scholarship Essay Contest

The Pennsylvania AFL-CIO Scholarship Essay Contest is a chance for students to learn more about the importance of Organized Labor in America.

Over the years, we have awarded tens of thousands of dollars to students furthering their education.

Scholarships are available exclusively to Pennsylvania AFL-CIO affiliated union members and their immediate family members.

Scholarships are offered to students in two categories: graduating high school seniors (Class of 2026), and all post-secondary students.

Essay Contest Categories

Category 1: Graduating High School Seniors

Recent issues like inflation, AI, and changing labor laws affect the lives of working families. Choose one of these issues and explain its impact on workers in your community. How can labor unions help them respond to these challenges?

Category 2: Post-Secondary Students

Recent trends such as AI in the workplace, major labor strikes, the rise of gig work, and shifting labor laws are reshaping work in the United States. Analyze one key trend and assess its short- and long-term impacts on the working class. How should labor unions adapt to protect workers' rights and economic security in this evolving landscape?
